

HOCKINSON SCHOOL DISTRICT

Strategic Plan

2018–2021

Preparing all students for lifelong success.

OUR VISION

Our vision is to inspire all to live with strong core values, to become responsible learners, and to develop independent thinkers who actively contribute to the betterment of our changing world.

OUR MISSION

Hockinson School District's Mission is:

- Collaborate toward our common purpose.
- Challenge our assumptions by continually evaluating and improving.
- Use effective, relevant, and research based instructional practices to improve student learning.
- Optimize available resources.
- Support everyone in the school community to realize their greatest potential.
- Provide a safe and healthy environment.
- Raise awareness and encourage the community to become active participants.

DISTRICT GOAL #1: ACADEMICS

Distinguished teaching to optimized learning

Goals:

- Each school, every year will work on increased scores for every student measured by SBA, STAR, iReady and/or curriculum based assessments
- Each school, every year will decrease the achievement gap for all the underperforming student groups measured by SBA, STAR, iReady, and/or curriculum based assessments

Strategies for achieving these goals:

- Different specific student interventions
- Instructional decisions to plans for teaching and learning
- Student centered instruction
- Instructional rounds
- Academic vocabulary
- Student tutoring

Measurements of success:

- Interim assessments fall, winter and spring
- SBA interim test analysis and results
- iReady data reports
- Classroom vocabulary assessments
- Observations and team collaborations
- Teacher survey assessments
- Monitor Student Attendance
- Schools data

DISTRICT GOAL #2:

CULTURE & FACILITIES

Provide a safe, welcoming, and positive learning environment that supports high academic and behavior expectations for all

Goal:

- Each school, every year will create a physical and emotional environment where kids and staff are safe and connected with each other in order to improve their safety in order to learn

Strategies for achieving this goal:

- Facilities improvements, such as Video intercom system, cameras, etc.
- School Spirit
- District Safety Protocols driven by our Safety plan, such as “Run-Hide-Fight”, “I Love You Guys”, etc.
- Staff training
- Restorative justice/Positive Behavior Interventions & Supports (PBIS)
- Character education
- Prevention activities
- District wide Counseling plan

Measurements of success:

- Facilities improvements
- Discipline data analysis
- Annual staff, student, parent perception surveys
- Monitoring of the District-wide Counseling Plan
- Healthy Youth Survey
- Schools Data

DISTRICT GOAL #3:

COMMUNICATION & COMMUNITY

Increase transparency, ensure public trust,
and strengthen community involvement

Strategies for achieving these goals:

- Parent and student participation on BLT
- Continual open academic information and gradebook to parents
- Follow through on building communication plan
- Increase awareness of attendance issues
- Events: hold community open house on specific topics, i.e., levy

Measurements of success:

- Parents and students participation as members of Building Leadership Team (BLT)
- Schoology
- Website and social media participation
- Annual staff, student, parent perception surveys
- Parents focus groups feedback
