Name: _____

Self-Manager Application

Teacher: _____

Date: _____

At Hockinson Heights Elementary we believe that student's behavior should be **RSR** (responsible, safe, and respectful). During at home learning, self managers:

- **use kind words when speaking with adults and kids**
- **set an example for others through my actions and words**
- **accept redirection and consequences from staff**
- **follow directions the first time they are given**
- **use technology tools, supplies, and materials appropriately**
- **follow school procedures / log in independently**
- **stay on task**
- **use appropriate online behavior**
- **complete assignments and turn them in on time**
- **show RSR behavior at home**
- **attend school / complete school work each day**

A Self-Manager's behavior shows what it is like to be **RSR** every day; even when no one else is looking. *Note: A self-manager's badge may be taken if the student is not showing RSR behavior. He or she may have to earn their Self-Manager badge again by demonstrating the expected behavior.*

Directions to student

1. Get permission from your parent/guardian to participate in the Self-Manager Program. Get him or her to sign on the "Parent/Guardian" signature line.
2. Read this application. Sign on the "student" signature line.
3. Respond to the prompts on the back of this contract.
4. Get signatures on the remaining lines from the indicated teachers. Online signatures are okay.

*Please sign only if the student **consistently** demonstrates RSR behavior.*

Please respond to these prompts:

1. I think I have earned a self manager badge because....

(Think about how you demonstrate responsible, safe, and respectful behavior during online learning and use this to write a short paragraph.)

2. Write about one goal you have for your behavior this year. List and describe several reasons why you chose this goal?
